## **EVERYBODY SONG**

(Music & lyrics by Dimitri Gollety)

### **Intro**

Have you ever heard a song that sticks to you ?  
Let me just tell you how it starts !

### **Couplet A1**

Everybody goes everybody comes  
What a crazy big mess in that place  
Everybody talks some of them say yes  
Some of them say oh no  
Who can help us to refind a new breath  
Music please bring us your peace

### **Refrain**

Every day you like it.  
Every night you dream it.  
When it sounds into your mind,  
You feel so fine.

### **Couplet A2**

Everybody falls everybody fails  
Who can say that happens not for him  
Everybody feels everybody finds  
Sadness in these hard times  
Who can help us to brink back a new smile  
Music please give us your joy

### **Refrain**

#### **Solos (intrum-vocal)**

### **Pont D**

Have you ever been so lonely,  
Second after second with a big void  
And no good vibes in your mind ?  
No one by your sides want to pay attention about you,  
This is your time dear music !  
Thanks for your presence.

### **Refrain**

### **Couplet A1(bis)**

What a crazy big mess in that place  
Everybody talks some of them say yes  
Some of them say oh no

Music please bring us your peace
